Dear David,

Congratulations! You have been selected by your peers in Rotary and Scouting to receive the prestigious CLIFF DOCHTERMAN COMMUNITY SERVICE AWARD.

This award is in recognition of your many contributions to the furtherance of the ideal of "Service Above Self" and exemplifying the principles of the "Four-Way Test" in your community and Club. It is presented to you by The International Fellowship of Scouting Rotarians on behalf of all those who value the principles of Rotary and Scouting and all of whom are working together in strengthening the relationship between Rotary and Scouting/Guiding Associations throughout the world.

In addition to the medallion, you are authorized to wear the enclosed Boy Scouts of America Community Organization Award cloth square knot. You may purchase a miniature Rotary Wheel pin for the knot; see enclosed order form. This award also includes optional one year's complimentary membership in the International Fellowship Of Scouting Rotarians (IFSR). Please complete the membership application enclosed, mark it as 'Complimentary CD Award one year membership' and send it to address on the application.

Our sincere best wishes go to you and your Rotary Club as you continue to serve Scouting and Rotary. The example you have set in service to your community has been extraordinary, and for this, we sincerely thank you.

Yours in Rotary Service and Scouting Fellowship,

A handwritten signature in black ink, appearing to read "Mark Kriebel PDG".

Mark Kriebel, PDG
President, IFSR
